HISTORY OF DAYTONA

The Daytona Missions Trip began 49 years ago as the Lord gave Dr. Ron Reilly a burden to reach the young people of America through personal evangelism. In 49 years of sharing the Gospel to high school and college age Spring Breakers in 3 days of concentrated witnessing, 105,246 people have received Christ as Savior. On four occasions over 5,000 souls were won to Christ by young people filled with the Power of God in 3 days of witnessing.

We now have people coming from all over the country to be involved in this tremendous outreach to win the lost to Christ. The young people involved in these three days of evangelism outreach are on a team of 2 boys and 2 girls with a trained adult team leader.

We invite you to sign up now and be a part of this evangelism effort to reach the young people of America and have the spiritual experience of a lifetime.
